Oversight Board

of the Successor Agency to the South Pasadena CRA

MEETING DATE: November 9, 2016

FROM: Lucy Demirjian, Assistant to the City Manager

SUBJECT: **Adoption of a Resolution Authorizing Transfer of Property from the Successor Agency to the City of South Pasadena as a Governmental Purpose Transfer**

Recommendation:

It is recommended that the Oversight Board approve a resolution authorizing the transfer of property located at 1500 El Centro Street (northeast corner of Mound Avenue and El Centro Street), Assessor's Parcel Number 5315-003-901 (Property), from the Successor Agency to the South Pasadena Community Redevelopment Agency (Successor Agency) to the City of South Pasadena (City) as an asset constructed and used for a governmental purpose pursuant to Health and Safety Code Section 34181(a).

Background:

On August 14, 2013, the Successor Agency accepted the Long Range Property Management Plan (LRPMP) proposing the sale of the single property located at the northeast corner of Mound Avenue and El Centro Street for Development by Genton Property Group, LLC (Genton), which was subsequently approved by the Oversight Board on August 15, 2013.

On January 14, 2014, the Department of Finance (DOF) approved the LRPMP. The property is an integral piece located in the Downtown Revitalization Project Area, and its sale to Genton would have facilitated the completion of the Redevelopment Plan.

On March 31, 2016, the Exclusive Negotiation Agreement (ENA) between the City and the Developer, Genton, expired. The proposed project was no longer feasible due to the developer's inability to acquire property needed to implement the Downtown Revitalization Project.

On September 22, 2015, Governor Brown signed Senate Bill (SB) 107 into law, amending aspects California Health and Safety Code Section 34179.5, including permitting the transfer of parking facilities, including parking lots, dedicated solely to public parking and which do not generate revenues in excess of reasonable maintenance costs, from the Successor Agency to the City, for no compensation as a "governmental purpose" transfer.

Since the property has at all times been used as a free parking lot for employee and public parking, the amendment to the LRPMP will propose the transfer of the property from the Successor Agency to the City for governmental use as a public parking lot, consistent with the "governmental purpose" designation.

On June 15, 2016, the Successor Agency approved an amended LRPMP and submitted it to the Oversight Board for its consideration and approval. Following approval by the Oversight Board on June 28, 2016, the LRPMP was submitted to the DOF for approval.

On September 26, 2016, the DOF approved the amended LRPMP and the disposition of the property to the City.

Analysis:

The subject property with Assessor's Parcel Number 5315-003-901 (Property) is a parking lot located at the northeast corner of Mound and El Centro in the City of South Pasadena. The Property was acquired for the purpose of eventually being improved as part of the Downtown Revitalization Project for the governmental use of a parking structure. Because of its location and the nature of its governmental use, the City of South Pasadena is the appropriate local agency to receive it. On November 2, 2016, the Successor Agency initiated a transfer of the Property to the City (Successor Agency Resolution No. 2016-06) and the City accepted the transfer.

The Successor Agency is required to bring the matter of the transfer of the Property from the Successor Agency to the City of South Pasadena, pursuant to Health and Safety Code Section Nos. 34181(a), 34191.3, and any other applicable law, before the Oversight Board of the Successor Agency.

The Oversight Board must consider this item at a public meeting with at least 10 days' notice to the public of the specific proposed actions related to the governmental purpose transfer of property pursuant to Health and Safety Code Section 34181(f).

Per the approved amendment to the LRPMP, the transfer of the property from the Successor Agency to the City for governmental use as a public parking lot is consistent with the "governmental purpose" designation. Staff recommends the Oversight Board approve the attached resolution authorizing the transfer of property.

Fiscal Impact:

None.

Legal Review:

The Successor Agency's legal counsel has reviewed and approved this report.
